

**Messrs and Mesdames,**

**2018/7/26**

**Owners of Companies**

Based on request by some companies to submit a bid for the National Printing Press and because of the actual problems with DHL \ Israel and after contacting the Palestinian Embassy to India and gaining its consent to extension, we would like to bring to your attention that bidding for the National Press was extended until 15 August 2018, so that all interested companies can send their price offers.

Respectfully Yours
